

Submitting your review for the library's blog

Be sure that your review includes:

- Book title
- Book author
- Publication date
- Your name as the reviewer
- Permission to publish your name on the website (or the pseudonym you wish to use)
- Your star rating:
 - 1 = Hated it
 - 2 = Didn't like it
 - 3 = It's OK
 - 4 = Liked it
 - 5 = Loved it

Please email your review (either in the text of your message or as an attachment) to the library's book review coordinator: **Susan Bryant** - morrill@hiawathalibrary.org. Please say "Book Review" in the subject line. Also, feel free to call Susan at 785-742-3831 with any questions.

Our goal is to publish reviews without alteration whenever possible. Reviewers will be notified in advance of any editing recommendations. Reviews will be posted within a few days, and Susan will email you a direct link to your review when it is posted.

Thank you in advance for contributing your recommendations and opinions to our library and our reading community. To find all of your reviews on the library's website, use your name (or the pseudonym you use to write reviews) in the search box at the top of the page.
